

Property William H. Tripp.

This famus Many of Halim in the Dacific Ocean and else where sindle An command of Benjamin B. Tussey. Flift by Church G. Atthour, chassachusety Communea mar 11th 1841.

For the friets 25 days nothing of much consequence hus happened to us. The had for the frist two. weeks considerable bud blustering weather but since that we have enjoyed a common share of good we cutter and fair winds. On the 18th of murch we were fortunate enough to muretin a small whale and Leve him and dince there we have den where twice but have obtained nothing more although first to a large wheele for 5 hours but how So shy that we could get no chance to kell him and now on the the Spil we are auguston ly booking for whales in Sal 32.00 Long 30.43 Queschay Ap 6th 1841.
